*Comparison of Internet 1000 wired upload connection speed to major cable providers' 1GIG cable service with uploads of 35Mbps. Telogical Systems 12/2020.

AT&T Internet for Business and AT&T Business Fiber limited time offer. Eligible customers purchasing new or upgrading to symmetrical speeds of 100Mbps, 300Mbps or 1Gbps qualify for lower month-to-month rates. Offer, terms, and restrictions subject to change and may be modified or terminated at any time without notice. Service requires Modem or Gateway Equipment. A \$99 installation charge may apply. Go to <https://www.att.com/smallbusiness/explore/Internet.html> to check qualification. The Terms of Service are available at: www.att.com/Internet-terms. Internet speed claim(s) represent maximum downstream and/or upstream speed capabilities. Actual speeds may vary and are not guaranteed. Many factors can affect actual speeds, including site traffic, content provider server capacity, internal network management factors, device capabilities, and use of other services. Prices and offers subject to change without notice. Advertised services not available in all areas. Term commitments, geographic restrictions, early termination fees, credit restrictions, and other conditions and limitations may apply.
